

COMMEMORATION IN MEMORY OF THE HEROIC
CHICANO/A REVOLUTIONARY MARTYRS,
THE BOULDER SIX, WHO GAVE UP THEIR LIVES
FOR THE OPPRESSED, MAY 27, 29, 1974

THE BOULDER SIX, NEVA ROMERO, UNA JAAKOLA, REYES MARTINEZ, FLORENCIO GRANADO, FRANCISCO DOUGHERTY, HURIBERTO TERAN, were true Chicano/a revolutionaries who sacrificed their lives, in struggle against racism, social injustices, hunger, police brutality, poverty, in opposition to the policies of U.S. Yankee imperialism, and the brutal oppression of a people whose homeland was stolen, through colonial wars, lynched, massacred, dispossessed, declared "illegal aliens" in their own stolen homeland, and then used as "cannon fodder" to fight an imperialist war in Southeast Asia, suffering the highest of casualties. THE STORY OF CHICANOS AND THE CHICANO REVOLUTIONARY MOVEMENT HAS NOT YET BEEN TOLD. WE, LIKE THE BOULDER SIX WILL NEVER DIE !

NEVA, UNA, REYES, FLORENCIO, FRANCISCO, and HURIBERTO were killed in separate car bombings on MAY 27, and 29, 1974, at the height of the rise of the Chicano Revolutionary Movement when Chicanos, inspired by the victories of the heroic Cuban people, and the Viet Cong guerrilla fighters defeated U.S. colonialism and imperialism, showing us the "guerrilla way" to defeat the imperialist beast, taught by our mentor ERNESTO "CHE" GUEVARA and TAMARA "TANIA" BUNKE, from the jungles of Bolivia, where they were murdered by the CIA, to stop the guerrilla revolutionary movement in all of Latin America, all terrified the U.S. ruling class; as CHICANO YOUTH, and many oppressed youth of all colors, were inspired by Che, and his call for "two, three, many Viet Nams." The Chicano Revolutionary Movement against U.S. imperialism, as the murder of CHE, FRED HAMPTON, MARK CLARK, JONATHAN JACKSON, GEORGE JACKSON, targeted these liberation movements by way of criminal clandestine special operations such as COINTELPRO, CANDOR, PHONETIX counterinsurgency operations led by the CIA, FBI, the PENTAGON, the DEFENSE DEPARTMENT, and the WHITE HOUSE, to "neutralize" and destroy all anti-war, sanctuary, civil rights, militant groups, and their leadership, to prevent domestic groups inside the United States to unite in the struggle for social and racial justice, for freedoms, justice, equality and for self-determination, all inspired by revolutionary movements against Yankee colonialism, monopoly capitalism, imperialism and fascism IN THE BELLY OF THE BEAST. The Boulder Six represented the highest of these ideals, qualities, humanity, virtues, commitment, revolutionary love and sacred duty of one, who has freed himself/herself, from the mental shackles of COLONIZATION, INTERNALIZED OPPRESSION, and has attained the highest of REVOLUTIONARY CONSCIOUSNESS AND THE SACRED DUTY to fight against the racist, fascist plantation corporate, criminal empire who has down through history, always made a mockery of free speech, human rights, true freedom, the poor, "criminal justice and prisons," justice, equality and democracy, that has never existed for PEOPLE OF COLOR IN THE UNITED STATES. Take a closer look inside the prison walls, and steel cages of AMERIKA'S PRISONS, and you will see that BLACKS, CHICANOS, ASAINS, AND NATIVE AMERICANS are disproportionately represented in the U.\$ PRISON

INDUSTRIAL COMPLEX, -specially in its 'racist, repressive control units" of prolonged solitary confinement. - PRISON CONCENTRATION CAMPS FOR THE POOR. Yes, there exist many POW, POLITICAL PRISONERS IN U.S. PRISONS.

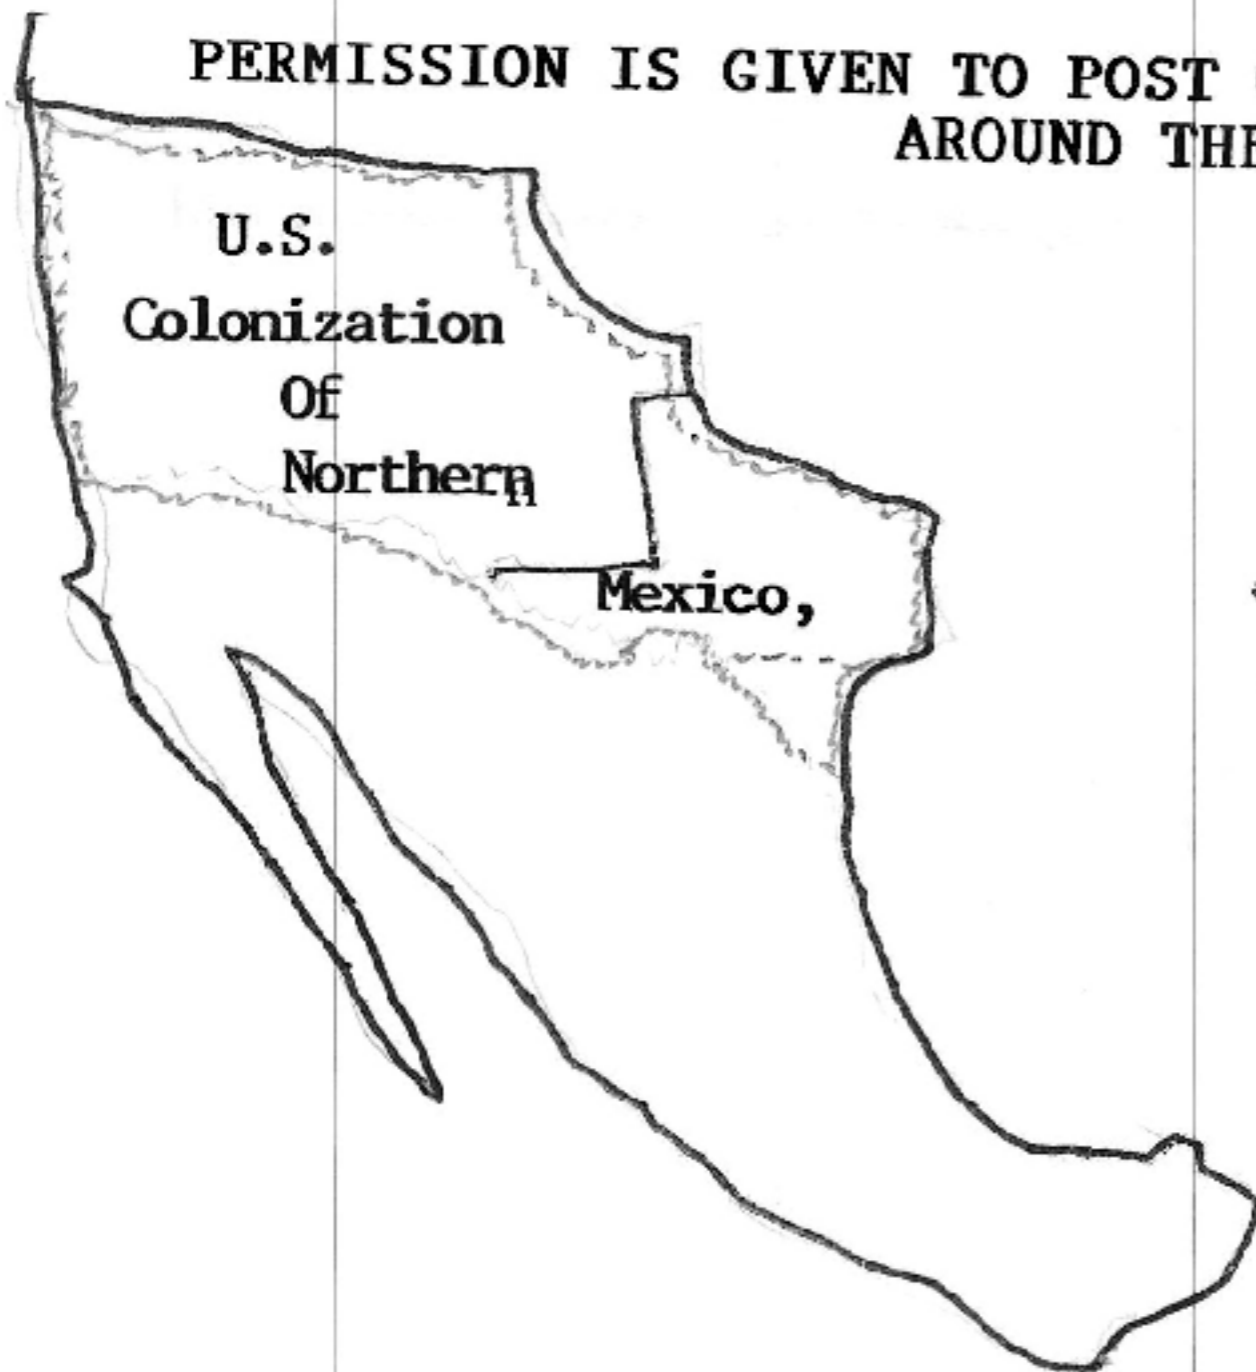

The BOULDER SIX envisioned a society, a world, without racist, trigger-happy murdering police pigs, a socio-economic-political system free of racism, wage-slavery, exploitation, free of for-profit prisons, and for freedom, justice, equality and self determination for the enslaved colonies U.S. colonialism and imperialism acquired through war crimes and genocide, specially IN THE OCCUPIED TERRITORIES OF THE U.S. SOUTHWEST AZTLAN, with the land robbery and colonization of TEXAS, NEW MEXICO, ARIZONA, CALIFORNIA, COLORADO, and parts OF UTAH, NEVADA, AND WYOMING. AZTLAN CONTINUA ESTAR DE LUTO. AZTLAN CONTINUES TO BE IN MOURNING. We will never, ever, forget your ultimate sacrifices, and we will always carry you in our hearts, and teach our children to be LIKE CHEY, LIKE NEVA, LIKE UNA, LIKE REYES, LIKE FLORENCIO, LIKE FRANCISCO, LIKE HURIBERTO until we all are free of this current existing capitalist wage-slavery system, imperialism and fascism !

HONOR THE MEMORY AND LIVES OF THE BOULDER SIX !
FREE THE OCCUPIED TERRITORIES OF AZTLAN !
UNITE THE DOMESTIC REVOLUTIONARY MOVEMENTS
AGAINST U.S. IMPERIALISM, AND INTERNATIONALIZE THEM !
FREE ALL OF OUR U.S.A. POW, POLITICAL PRISONERS !
MUERTE AL COLONIALISMO, IMPERIALISMO, FASCISMO YANQUI !!
PARTIA O MUERTE, VENCEREMOS !
